

# Multiply by 7

My Math Adventure

Name: \_\_\_\_\_

You got this!

Skip-Count by 7s!

Solve it!

$7 \times 3 =$

$7 \times 9 = \square$

$7 \times 6 = \square$

$7 \times 5 = \square$

$7 \times 4 = \square$

$7 \times 2 = \square$

$7 \times 8 = \square$

$7 \times 7 = \square$

Alex's Task

Alex picks 7 pink tulips for each of 3 friends.  
How many tulips does she pick?

=

All done? Awesome!  
Color a diamond!
