

Multiply!

$3 \times 4 = \square$

$8 \times 3 = \square$

$6 \times 5 = \square$

$4 \times 9 = \square$

$7 \times 2 = \square$

$5 \times 7 = \square$

Divide!

Tip: Can you spot the matching multiply fact above?

$12 \div 4 = \square$

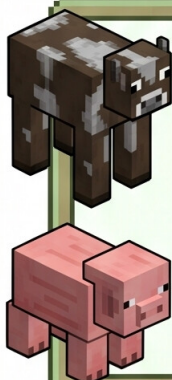

$30 \div 5 = \square$

$14 \div 2 = \square$

$24 \div 3 = \square$

$36 \div 9 = \square$

$35 \div 7 = \square$

They Belong Together!

fact-family house

6

7

42

$6 \times 7 = 42$

$7 \times 6 = \square$

$42 \div 6 = \square$

$42 \div 7 = \square$

Know one fact, you know them all!

All done? Awesome! Color the emeralds!
